| Video Quality Standards Each of the quality standards below also show the points to be deducted if the standard is not met. | |
| Content (35pts.) | Audio (55pts.) |
| The student attempted to create an interesting and professional quality film: 1. All videos must be between 40 seconds and 1 minute in length. (10pts) | If the student decides to add background music, the music must be a nice match to the video (upbeat is good;rap and hip-hop can't be used). If you are uncertain, ask the instructor the teacher. (5pts) |
| The subject being viewed is not hidden in darkness. No back of head, closed eye or cut off body shots.(10pts) | Audio should be equalized (same level) throughout the video (judge with your ear). (5pts) |
| 3. The camera is held steady as filming is taking place. A tripod should be used on all productions. | Edited audio should always 'fade in' or 'fade out' at the edit points. (5pts) |
| No blurred photos(10pts) If the student pans across a scene, they don't pan back in the opposite direction & if they zoom in/out, they don't zoom in the opposite direction. (10pts) When video ends, there should not be an elongated period of time in which the viewer sees black screen because they failed to edit the audio. (5pts) | ■ Interviews: All D.D. videos must contain an interview explaining what is occurring in the video. All interviews should show the guest speaker explaining what is occurring. After a few seconds of viewing the speaker, the audio should be extracted and the video should be replaced with visuals of what they are talking about (Note:All 'Q&A' interviewees need to explain 'Why' and all interviews must have a nice background).(40pts) |
