

Coding – “Broadcasting”

Play: “Darth Vader...Get a Job”

Script

Purpose: Students will perform in a simple play in order to get a better idea as to how “Broadcasting” works in coding.

Participants:

- **Director:** Oversee the flow of each scene, in particular, the director will call out the Broadcasts of when specific segments of the play start and finish.
- **Scenery Expert:** Will quickly draw that scenes background on the white dry erase board.
- **Actors & Actresses:** 1. Princess Lea, 2. Luke, 3. Darth Vader, 4. Hans Solo, and 5. C3PO.

Scene #1: “Introduction From Narrator”

C3PO: Darth, you want a job?

C3PO: We have plenty of jobs here at Google.

C3PO: We have an opening for a Gaming Tester.

Darth: I would be really good at that.

Darth: How much does the position pay?

C3PO: Pay?

C3PO: Just tell us how much you want!

C3PO: Money isn't an issue.

C3PO: There are many other perks as well...such as...

C3PO: We will feed you!

C3PO: Clothe you!

C3PO: Provide transportation and accommodations.

C3PO: We will even wash your clothes and watch your kids.

C3PO: This is your "Home away from Home."

Final:

S: "Cut, That's a wrap!"
