Photoshop: Layers & Selection
Model (25 pts.)

Create a folder on your desktop. Title it: "RLSAthletics_Photoshop"	
Set the canvas to 8 inches wide by 6 inches high / 72 dpi / RGB / transparent.	2 pts.
Add Text: "R.L.S. Athletics."	2 pts.
Bevel & Drop Shadow the title "R.L.S. Athletics."	2 pts.
Find on the internet (Google) the following four images: blue devil, football, basketball, soccer ball. Save the images to the folder you made on your desktop. Select the image and remove any background colors.	10 pts.
Edit the image so that each of the sports balls are a different size: the football should be the largest and the soccer ball should be the smallest of the three.	5 pts.
Add a Drop Shadow to all four images.	2 pts.
The canvas must be reduced (trim!) to match the size of the image.	2 pts.
